FURNITURE FOR A SUSTAINABLE WORLD

SYSTEMS – SEATING – STORAGE

Welcome to Evolve

Evolve is today's product for today's business. Evolve is designed for the way people work today, with the latest technical and design features plus excellent performance. Stackable panels. Plug and play connectivity at the worksurface. Proven wire management. Ergonomic work surfaces. A host of shapes and sizes. Practical and cost-effective storage options.

Who says you can't afford what you really want?

M-9

FURNITURE FOR A SUSTAINABLE WORLD.

Earth Friendly

Evolve is continually committed to creating office solutions with environmental responsibility.

Life Cycle Management

Wherever possible, the entire Evolve panel system and the process to manufacture it were designed to save and protect the environment.

Greenguard Certified

Evolve exceeds standards for low emitting products for the indoor environment

Sustainability

Evolve's environmental initiatives ensure the protection of precious resources for future generations.

Recycle & Reuse

From wood to polypropylene, Evolve utilizes waste through innovative design and technology.

Cradle to Cradle

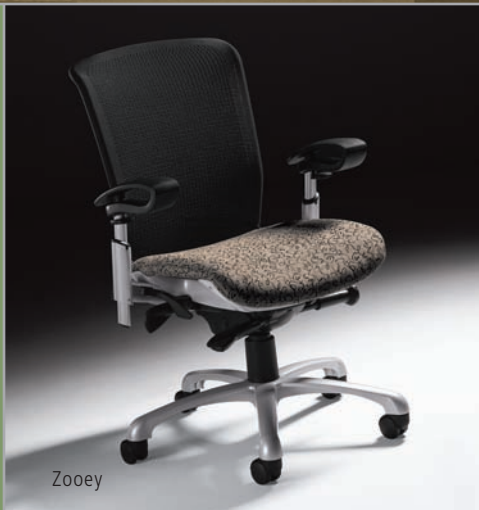

The Evolve panel is comprised of up to 82% recycled content, and is also 100% recyclable therefore eliminating the need to send any components to landfill.

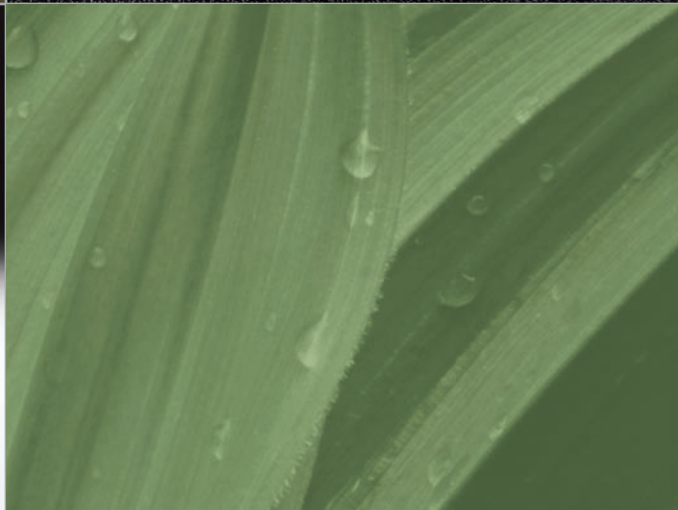

GREENGUARD INDOOR AIR QUALITY CERTIFICATION

Evolve products are in compliance with stringent emission guidelines set out by the Greenguard Environmental Institute under the standards for low emitting products and materials.
